

Palm Desert Poolside

Tommy Bahama
OUTDOOR LIVING

Palm Desert Poolside

Tommy Bahama Outdoor Living is celebrated for its unique design and exceptional custom finishes. Palm Desert Poolside exemplifies this with clean contemporary lines and a touch of Mid-Century styling. Durable aluminum frames are meticulously hand-finished to replicate the unmistakable look of natural teak.

Dining and occasional tables feature White Agate tops, a striking natural stone sealed for protection. Deep seating frames showcase a horizontal weave of all-weather wicker in variegated shades of light mocha. The look offers a fresh, modern take on sophisticated alfresco living.

Tommy Bahama
OUTDOOR LIVING

Tommy Bahama®

OUTDOOR LIVING

The most respected brand in luxury outdoor living blends innovative design with the finest materials and custom finishes to create a look that can transform any outdoor living space.

A hand-applied finish replicates the grain lines in natural teak.

A horizontal weave of all-weather wicker elegantly blends three complementary color tones for visual interest.

Designs incorporate synthetic cording details in a rich mocha finish.

Dining and occasional tops feature White Agate stone with a protective finish.

The accent table has a 1.5-inch inset top of custom bubble glass.

Contemporary lines offer a touch of Mid-Century styling.

The allure of outdoor living is on full display in a setting that draws guests together while offering nature's beauty as a backdrop. Note how the fabric correlations pull effortlessly from the botanical tones surrounding them.

ACCENT PILLOWS

Since most like to customize the size and configuration of their accent pillows, upholstered seating in Palm Desert Poolside does not include standard accent pillows. Seven different sizes and shapes of pillows are available. They may be specified with standard 1/4 inch welt, larger 1/2 inch welt or without welt. All pillows feature 100% all-weather fiber in a water-resistant ticking that is thermally sealed to deter water penetration.

UPHOLSTERY

Numerous trim options are available on accent pillows, including contrast welts in any fabric as well as decorative cords, fringes and tape treatments. Please see the Tommy Bahama Outdoor Living price list for details.

PERFORMANCE FABRICS

Creating a seamless transition from an elegant interior décor to a stylish outdoor space is the essence of refined living today - and blurring the lines between indoor and outdoor living lies in merging beauty and durability. Fabrics must have the sophisticated look and luxurious hand of residential textiles, plus the performance technology to withstand the most extreme outdoor conditions.

The Tommy Bahama Outdoor Living program includes fabrics and trims from industry leaders in performance technology.

A "performance fabric" is one with the following attributes:

- Fibers that are solution-dyed to the core, rather than simply on the surface
- Colorfast dyes that are highly resistant to fading from UV exposure
- Fibers that are inherently resistant to mold and mildew
- An extremely tight weave to withstand the wind and elements
- A durable finish for superior stain and water resistance

The Tommy Bahama Outdoor Living program is unique in the industry for its wide-ranging assortment of exceptional performance fabrics and correlating trims, offering the ability to customize upholstery whose impeccable tailoring, seating comfort and designer looks are equally at home, indoors or out.

WEATHERGUARD™ UPHOLSTERY CUSHIONS

The exclusive Tommy Bahama Outdoor Living WeatherGuard™ cushion is engineered to be highly water resistant, mildew resistant and anti-microbial, while offering the most ultra-comfortable seating in the industry. In fact, the comfort is superior to the cushioning on the finest indoor upholstery. The unique construction consists of (4) distinct layers.

- The inner core is 1.8 lb. density, high-resiliency foam that provides unparalleled support, functioning like a box spring in premium bedding. It is both mold and mildew resistant.
- The second layer is soft-cell foam, designed to provide a relaxed but supportive seat, like a plush mattress.
- The third layer is spun polyester fiber, which is inherently anti-microbial and functions like a pillow-top, offering down-like comfort and a luxurious "crown" to the cushion.
- The fourth layer is a wrapping of water resistant non-woven ticking is thermally sealed to prevent water penetration into the layers below.

Seating comfort is one hallmark of the Tommy Bahama Outdoor Living program. The exclusive WeatherGuard™ cushion is your assurance that the quality, look and longevity of the cushioning will match its unsurpassed comfort.
