

Sand Dune

Tommy Bahama
OUTDOOR LIVING

Sand Dune

Offering a fresh take on contemporary styling, sculptural aluminum frame designs feature a light alabaster finish, paired with woven accents in soft shades of ivory and taupe.

Custom crafted stone tops serve as a focal point, featuring elegant vein lines that emulate the look of natural marble, with each top showcasing a unique pattern. Reticulated foam seating on dining chairs offers remarkable comfort and the ability for water to pass freely for quick drying.

Together, the marriage of aluminum, woven elements, and stone tops convey an elegant, modern expression of elevated outdoor living.

Tommy Bahama
OUTDOOR LIVING

Tommy Bahama

OUTDOOR LIVING

The most respected brand in luxury outdoor living blends innovative design with the finest materials and custom finishes to create a look that will transform any outdoor living space.

Deep seating frames feature strong contemporary lines and a horizontal woven pattern in shades of ivory and taupe.

Sculptural aluminum frames are finished in a soft alabaster coloration that blends elegantly with the ivory and taupe woven elements.

Dining tables feature an umbrella pass-thru in the stone top, with a custom TB monogrammed insert.

Occasional tables feature inset stone tops and architectural aluminum frames with arched stretcher bases.

Custom stone tops emulate the look and veining of natural marble in shades of ivory and taupe, with patterns that will be different on each piece.

The Sand Dune curved sectional series is comprised of three pieces - the left and right end units and an armless silhouette. This allows for multiple size and configuration options. Each unit has a single seat cushion and three back cushions. The throw pillows shown are optional. Note how well the round cocktail table pairs with this configuration.

ACCENT PILLOWS

Since most like to customize the size and configuration of their accent pillows, upholstered seating in Sand Dune does not include standard accent pillows. Seven different sizes and shapes of pillows are available. They may be specified with standard 1/4 inch welt, larger 1/2 inch welt or without welt. All pillows feature 100% all-weather fiber in a water-resistant ticking that is thermally sealed to deter water penetration.

PERFORMANCE FABRICS

The Tommy Bahama Outdoor Living program includes fabrics and trims from industry leaders in performance technology. A "performance fabric" is one with the following attributes:

- Fibers that are solution-dyed to the core, rather than simply on the surface
- Colorfast dyes that are highly resistant to fading from UV exposure
- Fibers that are inherently resistant to mold and mildew
- An extremely tight weave to withstand the wind and elements
- A durable finish for superior stain and water resistance

The Tommy Bahama Outdoor Living program is unique in the industry for its wide-ranging assortment of exceptional performance fabrics and correlating trims, offering the ability to customize upholstery whose impeccable tailoring, seating comfort and designer looks are equally at home, indoors or out.

WEATHERGUARD™ UPHOLSTERY CUSHIONS

The exclusive Tommy Bahama Outdoor Living WeatherGuard™ cushion is engineered to be highly water resistant, mildew resistant and anti-microbial, while offering the most ultra-comfortable seating in the industry. In fact, the comfort is superior to the cushioning on the finest indoor upholstery. The unique construction consists of (4) distinct layers.

- The inner core is 1.8 lb. density, high-resiliency foam that provides unparalleled support, functioning like a box spring in premium bedding. It is both mold and mildew resistant.
- The second layer is soft-cell foam, designed to provide a relaxed but supportive seat, like a plush mattress.
- The third layer is spun polyester fiber, which is inherently anti-microbial and functions like a pillow-top, offering down-like comfort and a luxurious "crown" to the cushion.
- The fourth layer is a wrapping of water resistant non-woven ticking is thermally sealed to prevent water penetration into the layers below.

Seating comfort is one hallmark of the Tommy Bahama Outdoor Living program. The exclusive WeatherGuard™ cushion is your assurance that the quality, look and longevity of the cushioning will match its unsurpassed comfort.
